To,

The HR Manager

NVIDIA India

Subject – Application for Verification and Validation Engineer

Respected HR Team,

I am Ashok Kumawat, currently pursuing my BTech in Cybersecurity from Graphic Era Hill University, Dehradun. Through my coursework and projects, I have developed a strong interest in system design, automation and quality assurance. I believe this opportunity at NVIDIA aligns perfectly with my academic background and technical interests.

I am writing to express my interest in the position of Verification and Validation Engineer at NVIDIA.

I am confident in my ability to learn quickly, work well in a team, and contribute meaningfully to your engineering processes. My attention to detail and ability to follow structured validation steps make me a good fit for this role.

I am seeking a starting salary package of 11 LPA, based on current industry standards for this position in India. I am open to discussion.

Thank you for considering my application. I have attached my resume for your reference. I would be grateful for the opportunity to interview and further discuss how I can contribute to NVIDIA.

Sincerely,
Ashok Kumawat
